

Audit Committee Terms of Reference

OVERVIEW

The Audit Committee is responsible for ensuring adequate internal systems are in place to control and manage the Catapult. The Catapult's objective is to ensure that formal and transparent arrangements for considering how they should apply the necessary corporate reporting, risk management and internal control principles and for maintaining an appropriate relationship with the Catapult's auditors. Accordingly, the board has established the following terms of reference, including the delegation of authority documentation, for the Audit Committee.
